PRESIDENT: The Chair recognizes Speaker Marvel for purposes of an announcement.

SPEAKER MARVEL: I would call to your attention a sheet that has been placed on your desks that starts with LB 507 and ends with LB 598, dated January 16, 1980. This is the supplementary agenda that if we finish up with General File on the green sheet, we then can go to this, so I would suggest that at your convenience you look it over and see if you have any bills coming up or see if you have any questions about any bills. This would not come up until some time this afternoon.

PRESIDENT: Thank you, Mr. Speaker. We will now, according to the Speaker's order, revert back to the special order for the day, agenda item #8 on LB 184.
